E-mail	pr@fa.utl.pt

General information on didactics:

Calendar:	Each academic year's a calendar will be sent to all partner schools
Period of arrival:	Our students will arrive in the 1st semester , for a mobility of 5 months, but we have no problem in accepting students for the 2nd semester or the whole academic year.
Language of didactics (programs, courses, exams):	Portuguese
Application Form:	We accept the partner schools' Application Forms
Deadline for applications	1st semester - 30 June / 2nd semester - 30 November
Deadlines for Learning Agreements	As soon as the students have chosen their courses
What your students must absolutely know:	The students must know that there are not enough students' residences for us to be able to guarantee accommodation. Usually Erasmus students, after they arrive, find their own lodgings, either renting a room or sharing an apartment with other colleagues.
