Erasmus

- ✓ Erasmus programs aim at enhancing higher education with more quality by means of scholarships and academic collaborations in all European countries.

Application

- ✓ Erasmus students use the application form and the learning agreement of their home university. If not at hand, you can find the necessary documents on our website.
In any case, before sending them to us, both documents must be signed by your home university.

DAAD

- ✓ The German Academic Exchange Service (DAAD) is the largest funding organization in the world fostering the international exchange of students and scholars.
