# Eligible moduls for the 3rd semester - Polymer Engineering -

**EXAMPLE**

Modul HS KL	ECTS	Modul TBU	ECTS
Colloquium	6		
		<u>Master Thesis*</u>	30
Master Thesis	24		
<hr/>		<hr/>	
30		30	

\*The TBU supervisor has to agree with the thesis topic and the ability to supervise the student in advance.

Please contact Prof. Dr.-Ing. Jens Schuster, Head of Refinement of Polymer and Composite Products Study Programme and Erasmus Departmental Coordinator, as early as possible since the Master Thesis requires some preparation prior to the stay abroad.

## What now ?

### 1. Contact the International Office

Please check in time with the [International Office of the Kaiserslautern University of Applied Sciences](#) whether there is still a place available for you at the partner university.

### 2. Fill in the Learning Agreement

Complete the Learning Agreement, have it signed by your Erasmus departmental coordinator and hand it in at the International Office.

### 3. Wait for the approval by the partner university

The partner university will send to you the approval and inform you about further steps.

# Living in Zlín

Cost of living approx. 500-650 €/ month
